*LOOK for the Slow hours —
The weekend, cut & quietly sewn.*

A woman with long, wavy brown hair is sitting in a light-colored, textured armchair, reading an open book titled "The Overstory". She is wearing a grey long-sleeved shirt and a brown cardigan. The room is warmly lit by natural light from a window on the left, which has sheer curtains and a potted plant on the sill. To the right, a wooden bookshelf holds several books and a vase with dried pampas grass. A small wooden side table next to the chair holds a cup of coffee, a pair of glasses, and another open book. The floor is covered with a patterned rug.
